Maintain Don't Gain

a Love Letter From The Basileus ...

Sorors,

It is amazing to think that we are entering into the last two months of my 1st term as Basileus. I have truly been honored to serve and hope

that I have represented this chapter in a manner that maintained respect and appreciation for Beta Pi Omega. I recognized that by taking this role, I would be following in the footsteps of giants. I want to take a moment to salute the former Basilei, especially the 9 who are still among us, Sorors Mary Louise Williams (11) Marion Armstrong(12), Sammie Tollette(15), Carmelita Smith(16), Janet Davis Tate(18), Wilhelmina Lewellen(19), Cassandra Norman McGhee(20), Phyllis *Caruth*(21), and *Tjuana Byrd*(22). No one can truly know the road unless you have traveled it. These women paved the way for me, and for that I will be eternally grateful. As we prepare for the the next (2) years, we must elect a new slate of officers and appoint new committee chairmen for 2017-2018. Fortunately, many of the previous leaders will return, however, some will leave their roles due to term limits or a desire to serve in a new capacity. Whatever the circumstance, I would like to express how deeply honored I have been to serve along side each of them. I believe each Soror took their responsibility seriously and fulfilled it to the best of their ability. I am grateful for your support and willingness to help me, as we learned together. A leader is only as strong as those who *choose* to follow her. With that said, I want to make sure that each member understands that Beta Pi Omega is **YOUR** chapter. Her light only shines as brightly as you allow it. That means, it requires **EVERYONE** to do their fare share of the work. We have shown that we can be extremely impactful to the greater Little Rock community through our programs and the number of students we have been able to assist through our scholarships. However, the harsh reality is that about 20% of our membership is doing 80% of the work to make that happen. Sorors, I would like to see that change. There are so

many opportunities to serve, so EVERYONE should be able to find something that appeals to them. I have stated time and time again, that the true engagement and sisterhood takes place while doing the work of committees and serving our community...not by only attending chapter meetings. Please search yourselves and identify where you would be the most impactful, contact the chairman or me, and offer yourself to serve...TODAY! If everyone was committed to "something," then a few would not feel overwhelmed with carrying "everything." I love each of you and look forward to continuing the amazing work of Alpha Kappa Alpha Sorority, Incorporated as the Legendary Beta Pi Omega Chapter.

Sisterly, **Soror Melanie**

Attention ALL Committee Chairman: Action Required!

Sorors, I would like to take a moment to THANK each of you for your service to Alpha Kappa Alpha Sorority in general, and to Beta Pi Omega Chapter, in particular. Because of your creativity, diligence and commitment, we have continued to move BPO forward, in so many impactful ways. As this two-year term draws to a close, I

would like for each of us to take a self assessment of what was accomplished. I am requesting that each Committee Chairman and Co-chairman prepare a 1 page summary of the things your committee achieved under your leadership. Please also give strong consideration to your desire to remain in the role for another 2 years. If you so desire, please also share your ideas for the future of that committee. You may submit your summaries to me via melaniehillard@yahoo.com ASAP. If you have any questions, please don't hesitate to contact me at 501-607-3222.

Sisterly, Soror Mel

PROGRAM/ACTIVITY

NOVEMBER 16TH SESSION

University of Arkansas at Little Rock Meeting Room: To Be Determined

The next ASCEND session will be held on the campus of UALR. This is also UALR's homecoming and the students will have an opportunity to tour the campus and attend some homecoming festivities.

HBCU TOUR RECAP

The response from students was overwhelming and we had over 50 students, chaperones, and parents attend the HBCU college tour to Jackson State University October 15-16, 2016. Students toured the campus, bookstore, and student center. The tour was led by campus ambassadors who are also members of our sorority. Students also attended the Boom Box Classic football game of Jackson State vs. Southern. This was our first HBCU tour out of state and thank you to all involved in making this trip a reality for our ASCEND students.

If you would like to join this committee, please contact the chairman. We are always looking for willing workers to help the students be college and career ready beyond high school!

Soror Danyell Crutchfield Cummings, Chairman & Soror Cassandra Norman-McGhee, Co-Chairman

ARKANSS CLUSTER SERVICE PROJECT

WILL YOU BE THE NEXT WINNER???

Donate backpacks and/or supplies for students in Central Arkansas and be eligible for the 4th Quarter Drawing. The winner will be announced at the December 3rd chapter meeting. The more donations, the better your chances of winning that quarterly prize!

Soror Kim Dobbins-Broadway, Chairman & Soror Angela Jackson, Co-Chairman

2016 November Newsletter Entry from Strategic Planning Committee

Sorors, if you missed last month's Launch Pad Series, here's a recap. Important news was outlined to chapter attendees. Supreme Basileus Dorothy Buckhanan Wilson has required each chapter to submit a strategic plan at the end of this year. This information was shared at the 83rd and 84th South Central Regional Conferences, and the 2015 Leadership Conference. Members of the Leadership Development, Membership, and Strategic Planning Committees presented an informative session about strategic planning.

A strategic plan has several components and the Strategic Planning committee plans to lead the chapter through seven steps. A few steps have already been accomplished. The objectives, mission, and vision statements are in progress but this is where your help is needed.

Sorors, this is a chance for us to identity what we are doing well and identify opportunities of improvement for Beta Pi Omega chapter. It would be next to impossible to put a plan together for our chapter

without hearing from those who make up the chapter...and that's each one of you. You are a part of Beta Pi Omega and we want to be inclusive as we develop our strategic plan. In this month's newsletter, you will find attached, a hard copy of the strategic planning survey. Please complete this survey and bring it to the November Chapter Meeting. You can also access this link to complete the survey online: https://goo.gl/forms/VLS7iOimF Q3TjQk72

Since the Launch Pad Series presentation, we have been given an extension by the Corporate Office and the Strategic Planning Committee wants to maximize the extra time given. If you would like to join the Strategic Planning Committee, please contact me at kifitz1@yahoo.com or 501-804-5370. Any member of the chapter is welcome to join this committee.

Late last month an email was sent out as a reminder about this survey. As a follow up, the Calling Post was activated to call all chapter members. Members of this committee made a second attempt using the Dimension Group Lists from the Membership committee. Lastly, copies of the survey will be available at the November chapter meeting. Sorors, just as this presidential and congressional election will shape the next four years and potentially impact an entire generation, this strategic plan will shape our chapter into what we would like for it be. You completing this survey will offer us the opportunity to continue our mission of promoting sisterhood and service to the community. We look forward to ensuring that this strategic plan is a good representation of Beta Pi Omega!

Scrapbook Chairman Wanted!

If you are creative and enjoy scrapbooking, please consider leading the scrapbook committee for Beta Pi Omega chapter. Our chapter has had an amazing year and our work should be appropriately documented. Also, wouldn't it be wonderful to be recognized at the Regional Conference for ALL of the amazing things, we as a chapter have accomplished. We do so much with programs, but lest we forget other events such as the Ivy Ball, Founders' Day program, that celebrated our Diamond Soror Bullock, as well as displayed NPHC unity, the Scholarship program which awarded over \$25,000 and our Inaugural Ivy Awards. Please contact me asap, if you would be interested in serving.

Sisterly, Soror Mel
